1. A mini ORD Career Service Panel was convened on 11 July 1985 to discuss promotions from GS-14 to GS-15. The three following promotion recommendations had been submitted for consideration:

1. [redacted], SMRD
2. [redacted], SMRD
3. [redacted], AMRD

Following the discussion of these officers and the other GS-14's in ORD, the Panel endorsed [redacted] promotion recommendation. They decided to recommend [redacted] for a QSI instead of a promotion and asked C/CTG to prepare the required memorandum. The Panel also felt that a QSI would be more appropriate for [redacted] at this time. However, C/SB/ORD advised that [redacted] had just received a QSI in February 1985. In addition, C/PATG agreed to ask C/PERD why he had not recommended [redacted] for promotion since he was in Category 1 and had met the time-in-grade guidelines.

2. C/PATG provided current feedback on [redacted] performance which he had obtained from her former chief, [redacted]. Based on this information, the Panel agreed to rank Ms. [redacted] in Category 2.

3. In conjunction with the discussion on [redacted] C/CTG agreed to consider cash awards for other deserving individuals involved with the MES.

4. The Panel members agreed to resume their discussion of the GS-14 officers and promotion recommendations to GS-15 following the 15 July 1985 ORD Staff Meeting.
